Bob presenting District Baseball trophy.

Our 1969-70 sport season was, indeed, a successful one! We won the Conference title in basketball for the first time in six years. But, taking Conference wasn't the end! We moved on to take the District 25 Championship title, which hadn't been won by R. C. since 1962. This brought us to the Regional tournaments at Hibbing. Our hopes were stopped by Duluth East when they defeated us in the first round. As we look back, the memory of this year will not be forgotten!

Captain of Basketball & Baseball--Bob Schlagel.

CONGRATULATIONS, TIGERS, OF 1970

Coach Erickson--Basketball

Baseball was a hit, too! There couldn't have been a happier team when we won the District 25 Championship! This was the first time in 17 years that Rush City had taken the title. Dreams of winning the Regional title were stopped by Morgan Park, as they defeated us in the game. That season, too, will not be forgotten!

Once we were in Kindergarten and discovered a new way of life and new friends. In grade school our lifelong habits were established. In Jr. High we made the new adjustment to the more serious part of our education. As Sophomores we looked to the future of our careers. As Juniors we realized the end was not far off. Now graduation day is here and the memories, good and bad, are recalled as we receive our diplomas. It is time for congratulations, for today's graduates are tomorrow's leaders, tomorrow's parents, tomorrow's citizens. It is time to say farewell to RCHS.

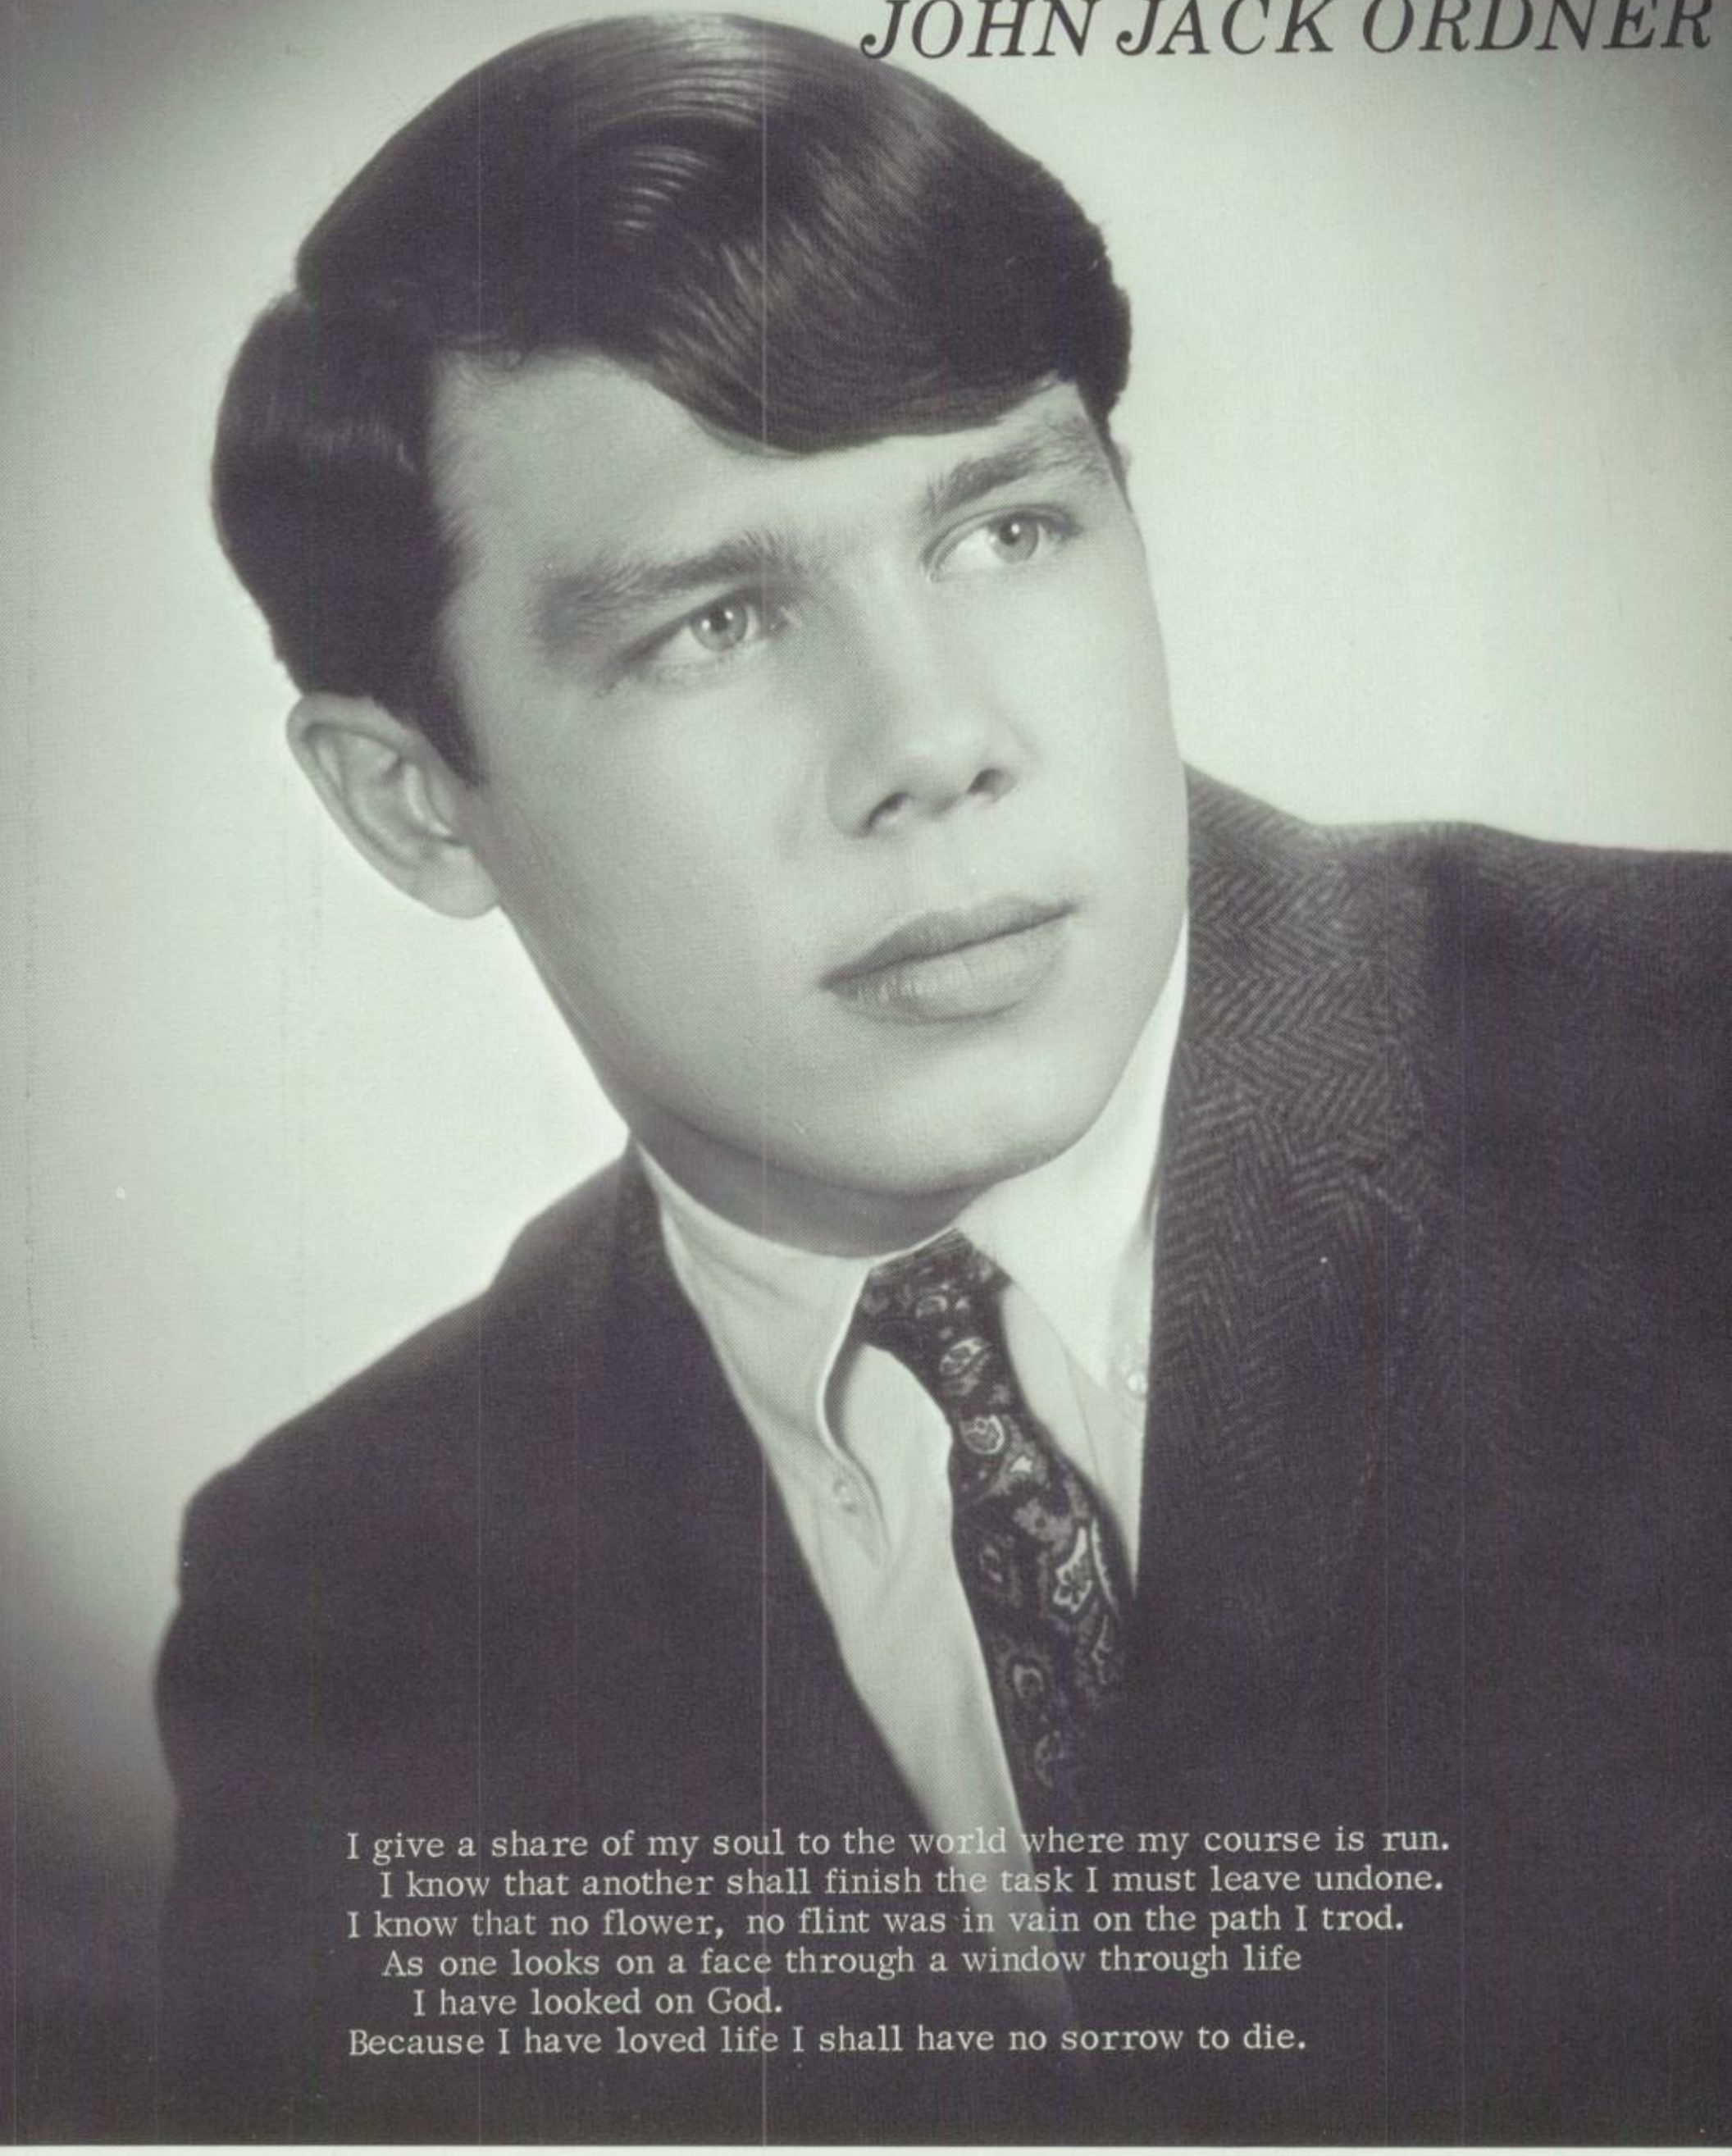
IN MEMORY OF
JOHN JACK ORDNER



I give a share of my soul to the world where my course is run.
I know that another shall finish the task I must leave undone.
I know that no flower, no flint was in vain on the path I trod.
As one looks on a face through a window through life
I have looked on God.
Because I have loved life I shall have no sorrow to die.

GRAND FINALE

You now see before you the 1971 Tiger. The Annual Staff has spent many long, hard hours putting this yearbook together, hoping that you would enjoy it. We hope that you'll like the many new and different, pictures and ideas in this yearbook. Since this represents the whole school, the staff has tried to create a yearbook that you could be proud of. We would especially like to thank the Annual Staff, and our advisors Mrs. Froelke and Mrs. Goplen, for all their hard work, time and patience . . Good luck to Carol O. and Caryl K. on next years yearbook.
